

Caroline Warsinski-Pritchard

November 3, 1988 - April 7, 2020

Caroline Warsinski Pritchard, our “Sweet Caroline”, 31, passed away suddenly and went to be with the Lord on April 7th, 2020. There is so much we miss about her. She was artistically talented and especially loved playing the guitar, singing, and writing songs. Her soothing voice had a calming effect on anyone who had the pleasure of hearing her sing. She was lyrically gifted and wrote songs from her heart.

Caroline was a free spirit who was always trying something new; from snowboarding, surfing, and skateboarding with her son; to sewing, cooking, drawing, and horseback riding as a child. But, the greatest joy in her life was her beautiful son Brody. The nurturing love she gave him will leave an indelible mark on his life forever. Her compassionate heart, kind nature, and sweet demeanor will live on through him.

Caroline, we love you and we’ll miss you forever. Thank you for being a wonderful daughter, sister, mother, and friend. We hope your guitar is golden and you continue to touch the souls around you.

She is survived by her son, Brody Hoag; her loving mother, Elisabeth Ruffer, stepdad, Stephen Ruffer; father, John Warsinski, sister, Melanie Poitevin (nee Fischer) and husband Paulo, brothers, Mark Monge and wife Lori and Luke Warsinski and wife Eve, half brother Zach Warsinski, paternal grandmother Eula Warsinski (MeMom), nine nieces/nephews and numerous aunts, uncles and cousins. She is predeceased by her maternal grandparents, James and Alberta Davis, paternal grandfather, John Warsinski (Pepop), and maternal aunt, Linda Davis. She is forever in our hearts.

Live-stream accessibility only, via <http://client.tribucast.com/tcid/41213655> Caroline’s live-stream will begin at 1:45pm on Saturday (April 25th) and her funeral ceremony will begin at 2pm. “ Dearest Caroline,
I am so blessed to have met you at the lighthouse church recently. Your mom told me how wonderful you were doing and I could tell she was right by the way you glowed.. you are strong and beautiful and you loved the Lord.
You have an amazing son Brody and we always loved she see him. He dressed himself in pride and I found that to be so awesome! You will be so missed but never forgotten. Heaven is a real place and I know you are filled with peace!
With love Deborah and David Kelchner

“ Caroline,
You were such a bright light to my life. You have opened my mind to spirituality. I miss the old times when we used to meet up in Newark on our deviation dates. I miss going out to lunch with you and just talking about life and how well we were doing. I miss all of the memories you shared with me that you had with your beautiful son. You were so loving and caring and very accepting of people for where they were at. You always saw the best in people. I am heartbroken that you're not here in body, but your spirit will live with me until I am with you again. May you Rest In Peace.
Love,
Noah P. Xoxo

“ I really just bawled my eyes out watching your funeral service. I would have been there if they allowed more than 10 people because of the corona virus. My best friend's sister has gone to be with our lord. I pray for her son Brody, her mother Beth and the rest of the family at this very difficult time. I am really humbled by the fact that Melanie Poitevin's Mom Beth chose the solar light that I gave as a memory to mark Caroline Pritchard's grave until the tombstone is made. Cara I will miss you. We spent a lot of time together as kids even though you were Melanie's little sister and often times you would want to hang out with us and we acted "too old" to hang with a younger sibling. Now that we are "older" I realize that in some ways you looked up to us. Honestly, you are so talented. I was just talking to you sister that I had no idea how talented you were as a musician writing your own beautiful songs. You were beautiful in so many ways. May you rest in eternal peace. I love your family so much and pray for all of them as they lose a special mother, daughter, and sister. Amen.

“ Caroline, You were such an amazing friend and mother. You always had a strong passion to keep pushing yourself to achieve another goal in life. You never wanted to give up. You always inspired me. We always have had so many deep conversations and when I was struggling I always had you to turn to. I am truly saddened that you were taken way to soon but now you are are my beautiful guardian angel, keep watching over me and your family. I love you.

“ Caroline you were the sweetest soul I knew. Always genuine, loving and caring. Im praying for your son and your mother today. I wish we could all be there to hug them. Until the day we meet again, we will love you and them endlessly. Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace.

“ My deepest condolences to the family
This makes me so sad, Caroline was such a beautiful soul. Our paths crossed through music. I'll never forget the day she broke out the guitar and the voice of an angel sang along.. Caroline always saw the good in everything and everyone, she stood strong for the people she loved, and she was always happy to lend you an open ear and give you kind words of encouragement. She will be missed dearly by many here on earth. May she Rest In Peace.

“ I met Caroline years ago when I was around 10 years old. She was always so kind to me. We didn't see each other for nearly 20 years until we both found each other at good times in our lives. She was just as kind 20 years later as she was when she was 10. She shared her story with me and listened to me about mine. She's one of the kindest, loveliest, and most genuinely caring people I've been fortunate enough to know. I'll love her forever.

“ I noticed your passion for your recovery and to listen to you talk about your beautiful son was amazing. There's no greater love than a mother's love for her children and I could literally see that great love between you and your son. God bless and keep you now.

“ I met Caroline while speaking at a meeting about advocacy. There were 30 people in the room but she made an impression. She talked to me after I spoke and I was excited about her passion to make a difference in other's lives. I'm heartbroken that she won't be advocating with us but there is no doubt that she has impacted people's lives. Thinking of her and all of her family.

“ It seems like yesterday Cara and Amanda Jo were in preschool - growing up together, doing crazy, silly things like trying to catch fuzzy bees and trying to pet them. So many memories of Cara are embedded in my mind forever. She will be missed so much.

Prayers, love and peace to all of her family and friends. May God be with all of you.

I remember you talking about your daughter in nursing class. When I heard about this my heart sank a little. I believe I met her at Beth's graduation party from nursing school briefly. I Wish you and your family all the peace that the Lord can provide. I miss you terribly and am so sorry for your loss. I knew how proud you were when you talked about her. “ In memory of one of my favorite people. My sister in law, but also very much my sister. She was and always will be such a bright light in my life. I am thankful for the time I had with her and heartbroken it was cut short. But I know Cara is still here with us and she's shown me that during this last week, and that comforts me. Here is a slideshow I made in tribute of her beauty, inside and out.
