“ I feel so lucky and grateful for having you in my life while we were growing up. You were a second mom to many of us and loved every minute of it. So many great memories and happy times you gave us i.e - Smitty's, Fishing, sleepovers, make us a sandwich at 3:00 a.m. and talk to us while we ate. That one morning with the alarm clock was an absolute classic. Chalie still needs that. Every time I open a jar of pickles , I smile and reminds me of how lucky we were to have someone love us so much. Thank you Stell. You'll always have a special place in my heart and will be remembered always.  
Give Big Chalie a hug for me....

Chal,  
Please know that we share the sorrow of your loss. Stella will be missed by all. Your mom was always ready to show her love for her boy Charles, so proud of every thing about you. She is now together again with your dad and I'm sure they will continue to be there for you. Just remember that you will always be their boy. Danny has so many great memories of time spent with your family and we are thankful for that. Memories will never fade so enjoy them because they gave them to you with all their love.

“ Dear Chalie,  
You were so incredibly lucky to have had Stell as your mom. Her love for you was truly like no other. When she saw you her face lit up with her beautiful smile because you were the love her life. Her Chalie could do no wrong and she always had your back, no matter what. You made her proud and I know you will continue to do so as you move forward. Never think you are alone. Both of your parents will always be with you. I know you will always treasure their special memories everyday, forever. And...we are here for you always!

“ Saying goodbye to someone as special as you is never easy. I want to thank you for all the childhood memories and good times that I was able to share with you, Big Chal and Chalie. They are and always will be in my heart. There was never a dull moment growing up with you guys as my second family. I was very lucky from the Ocean City trips to Florida to the fishing trips. The rides to school were very interesting as all the neighborhood kids piled in your car! I'm grateful for the many days and nights spent at your house with my "brother". Rest easy Stell, and say hello to Big Chal for me. I know he will be so happy to see you again. PLEASE keep an eye on Chalie. He still needs that!! Love you and thanks for being like a second mom to me! Love, Danny
