“ My friendship with Lynne started in High School and she became a friend for a lifetime. She had a zest for life and a strong will that enabled her to get through some tough times. We shared many trips to the shore and she led us into some precarious times but what fun we had...I will miss her honesty and ability to keep laughing..She was a good friend and I love and will miss her...My sincere sympathy to her children, Jimmy and Jennifer and all her family.
