“ Dear Ann and Bill:

Our sincere condolences for the loss of Ann's mother, Florence. I remember her so well along with your father, Leo, back in the 50's, before the Chateau Bleu, when there was just the For-Ann, I think that was the name, across the street from us on 10th street when we were building our motel and installing our swimming pool. She was such a kind and understanding friend to my mother, Mable, in going through tough times. My wife and I would like to share with you an historic prayer of commendation in memory of your mom.

PRAYER of COMMENDATION

We give back, to You, O God, those whom You gave to us; You did not lose them when You gave them to us, and we do not lose them by their return to You. Your dear Son has taught us that life is eternal and love cannot die. So death is only a horizon, and a horizon is only the limit of our sight. Open our eyes to see more clearly, and draw us closer to You, that we may know that we are nearer to our loved ones, who are with You. You have told us that You are preparing a place for us; prepare us also for that happy place, that where You are we may also be always, O dear Lord of life and death. Amen

- William Penn, 1644-1714 -

May God bless you and comfort you in your time of sorrow.
