“

My Mother was my rock! She suffered unbelievable odds most would never be able to bare! I have suffered most of which with her through her pain through life!!! She made a strong example for us girls which showed us how woman could make it alone in this world while fighting the good fight!!!! She was an example of good, strong and brave Christian strength that through trials and tribulations most would and could NEVER believe!!! But we were there!!! My 4 children have witnessed what no eyes were ever ment to see!!! The fortitude in this woman I was BLESSED TO HAVE AS MOTHER while helping So Very Many unfortunat addicts as a counselor growing up was nothing short of a BEAUTIFUL SOUL!!! GOD keep her at peace now with no more pain! No more affliction! I Pray you have enered into heaven a young innocent woman with grandmom. Kelly and grandpop Kelly, your mom & dad!!! Your brothers Jack, Joey and Albert and all whom you've Loved my sweet mother who lived every day for her children!!!! My Heart aches for you and my eyes cry for your loss of missing you here on earth but knowing one sweet day I will be with you again my LOVE, MY HEART, MY SOUL .... who was the world to me!!! You went over and beyond for people you never even knew helping them all through addictions and afflictions!!! I remember each and every one! Life was hard and rough but the lessons learned and the love shared were very real!!!! I Love you forever and always my sweet mother!!! “ My mom was all our friends mom as well as ours. She had no problem punishing them as if they were her own. She will be missed by so many people whose lives she touched. I was so blessed to have been able to spend so much time with her, sitting by her bed just holding her hand. I miss her so much already. I find comfort in knowing she went peacefully surrounded by love..you will always live in my heart. RIP my sweet mother...until we meet again.
