“ A great Valentine’s dinner with Susie and her family several years ago, she is so loved and will be truly missed. She was like another mother to me, always so caring and concerned. Ever the care provider in all aspects of her life she genuinely felt for people. I was always welcome in her home. Thank you Susie

“ I worked with Susie at Holy Redeemer. She was so loved by all of her patients. That is because she gave so much love. She went above and beyond for everyone. Family, Patients and friends. Susie especially loved her daughter Chrissy. Chrissy was her pride and joy. She will always be remembered with love. Rest In Peace Sue

“ I remember the year I spent Thanksgiving with Chrissy and Susie and the family. We all had a great time. Susie was so impressed with the way I cleaned the bathroom, set the dining room table and matched all the silverware. It was great being with everybody and lots of love was shared that day.
